### COLOR SELECTION

All guards are available in the following colors and should be ordered by adding the corresponding suffix number to the nozzle or guard part number. For example, if the full grip ReGuard (#1806) is desired in blue, the order part number is #1806-01. If a Husky X nozzle (#159404) is desired in red, the order number is #159404-02. The Warning Logo is standard on all nozzles guards.
