**HCR 2 Technical Training Module Now Available On The LMS
(Canada Only)**

The information in this Service Bulletin applies to:

- FlexPay EMV

A Technical Training module has been released for the Hybrid Card Reader (HCR) 2.0 to support the field release in Canada. The HCR 2.0 is a direct replacement for the Tribrid Card Reader (TCR) which has gone end of life. This course is free and you can sign up under Self enrollment in the LMS. Please note that this standalone release is to provide information in a timely manner, and you will have to re-take it during re-certification.
