Subject: DSS Web Closure/Web Commissioning

Importance: High

Attn: NEE Service Managers and DSS Subcontractors

Hello everyone,

There appear to be some issues with the web closure program at Gilbarco today, they are currently working hard to get these resolved. They have asked me to advise you that for now you may still call in to Gilbarco to close your calls and submit commissioning details. I will advise once web closure and commissioning is ready for you.

We are sorry for any inconvenience, please let me know if you have any questions.

Best regards,
Valorie
