3/Vista 90 Series (Wide) Multigrade Dispensers Parts Manual

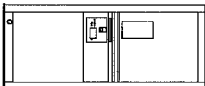

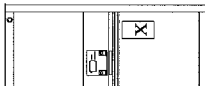

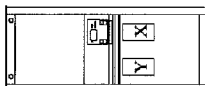

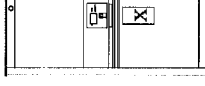

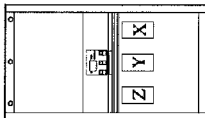

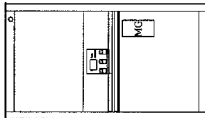

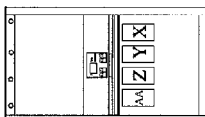

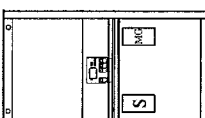

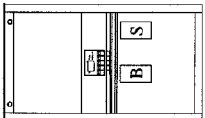

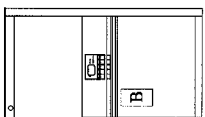

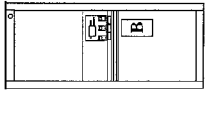

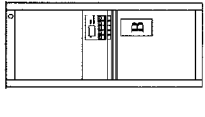

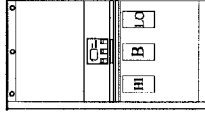

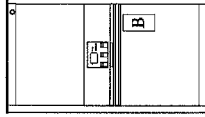

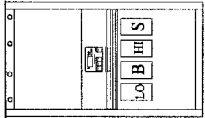

This manual lists parts for 3/Vista (iGEM) 90 series (wide) dispensers. For common assemblies see the Vista Shared Assemblies Manual, part no. 920345. For a breakdown of optional equipment see that specific option parts manual. All Wayne parts manuals are available in the Parts Subscription, part no. 917442.

HOW TO LOCATE PARTS

How to locate part number:

- Use the List of Tables to locate the Module containing part needed, (Hydraulics, Bezel, Electronic Head, etc.).
- Using the Module description find the Table number and page where shown. Turn to indicated page.
- In the Table use the Drawing* number, (DWG) listed under the Part No. column, to find the corresponding module drawing. Turn to drawing indicated.
- Locate the part or assembly needed on the module drawing and the corresponding Item** number.
- Then using the Item number on the drawing find the specific part number, quantity and description in the parts table for your model.
- Some parts and assemblies may breakdown further. Follow the instructions in the table to '**See Other Tables or Manuals**'.***

*Some tables refer to several Drawings (DWG) for part identification.

The item numbers shown on the drawings are intended only to locate the part number and description in the accompanying table of parts. **Do not order parts by item number.

***Some common part assemblies, subassemblies and modules are listed in the 1, 2 and 3/Vista Blending and Non-blending Shared Assemblies Manual, part no. 920345, and show a further breakdown of parts.

HOW TO CONTACT WAYNE

WAYNE TECHNICAL SUPPORT 1-800-926-3737

WAYNE SERVICE PARTS DEPT. PH: 1-512-218-6547
FAX ORDERS: 1-512-388-8592

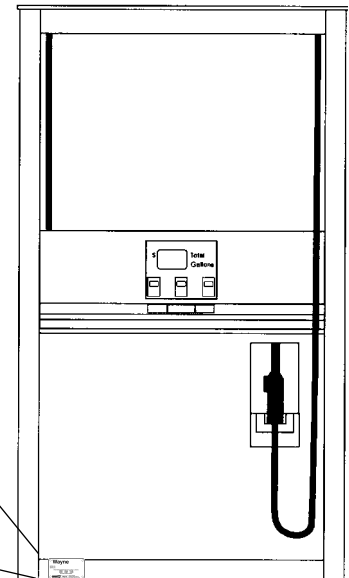

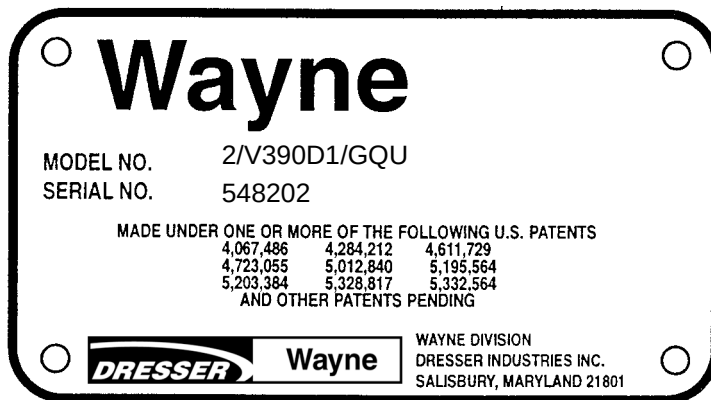

WAYNE ONLINE PARTS ORDERING www.wayne.com
(use the eBusiness link)

HOW TO ORDER PARTS

To insure correct and prompt delivery of parts, furnish the serial number, model number and any existing code number on the dispenser serial plate, located on the left front base of the dispenser, a sample of which is shown below.

When ordering parts supply the following information:

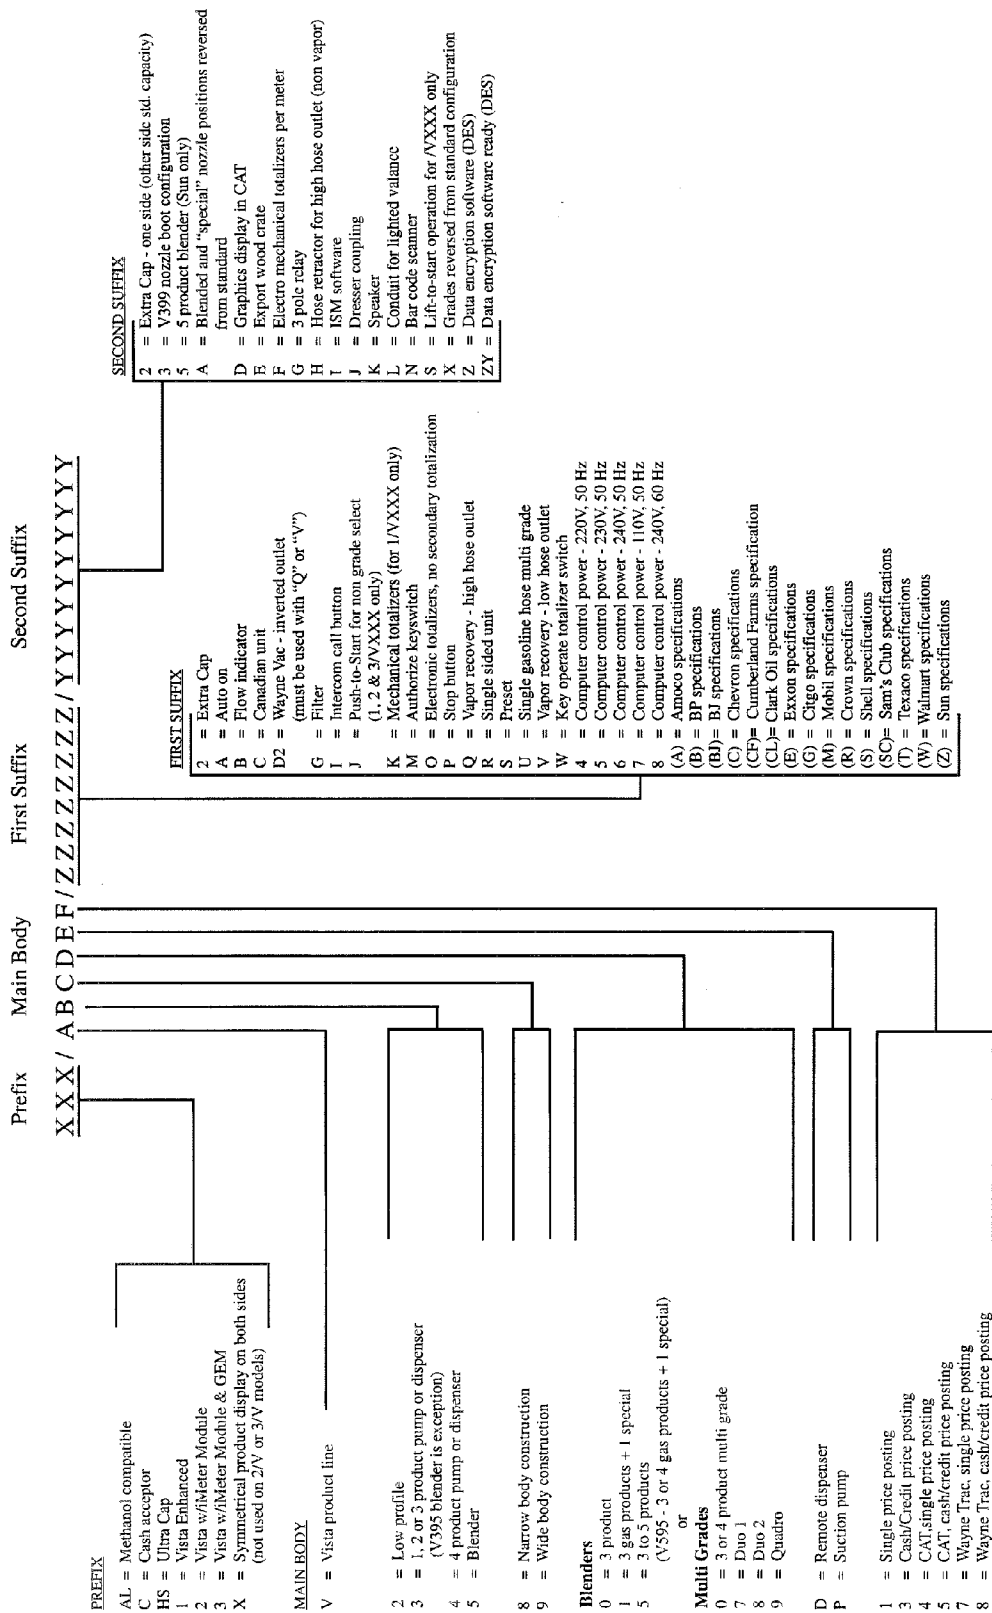

- Serial number of dispenser.
- Model number of dispenser.
- Part number.
- Description of the part.
- Quantity desired.

The Model and Serial Numbers above are examples only (2/V390/U Shown).

NOTE: When ordering parts with particular company specifications such as doors, advertising panels and dial faces, please call our Service Parts Department at 1-512-218-6547 with specific dispenser model number and serial number. All warranty parts are to be ordered through local distributors.

HOW TO USE WAYNE MODEL DESIGNATION CHART

Example: **3/V390D1/D2GQU**

3 = iGEM iMeter plus Global Electronics Module

V = Vista

3 = 1, 2, or 3 Product pump or Dispenser

9 = Wide Body

0 = Multi grade, 3 or 4 Product

D = Remote Dispenser

1 = Single Price Posting

D2 = Wayne VAC, Inverted Outlet

G = Filter

Q = Vapor Recovery - High Hose Outlet

U = Single Hose MGD

NOTE: The Model Number is on the Serial Plate located on the front of the dispenser. See **“HOW TO ORDER PARTS”** on page v. for Serial Plate Location.

General Guidelines for Usage of this Placement Drawing

- The part numbers provided are for base number reference only. Prefixes and suffixes will vary from one customer to the next. See the test card bills of material for appropriate dash numbers.

SIDE VIEW - RIGHT SIDE
FACING JUNCTION BOX

SIDE VIEW - LEFT SIDE
FACING JUNCTION BOX

General Guidelines for Actuator Placement (Item G6)
Actuator graphics should be applied in the same order as the products on the dial face. If the actuator graphic is an octane rating, this octane rating should be applied consistent with the order of the grades of product being offered - i.e., "Regular", "Super", "Premium" product order on the dial implies a "Low" "Mid" "High" set up. If octanes specified are "17", "18", "19", they should be applied in a lowest to highest octane order to match the product order specified on the dial.

- G7** SHIP LOOSE ITEMS - ALL ITEMS WITH ITEM NUMBER G7 SHOULD SHIP LOOSE WITH THE DISPENSER
- G8** MISCELLANEOUS FACTORY INSTALLED DECALS - SEE DECAL PLACEMENT DRAWINGS (ITEM G9) AS REFERENCED IN THE TEST CARD BILLS OF MATERIAL
- G9** PLACEMENT DRAWINGS; G9 REFERS TO THE PLACEMENT DRAWINGS USED TO APPLY FACTORY-INSTALLED DECALS.

2/VISTA PARTS THAT DIFFER
FROM 1/INSTA PARTS ARE SHOWN *ITALICS*

NOTE: This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.
