

AODA: The Integrated Accessibility Standards Statement of Organizational Commitment

POLICY

Under the AODA, Ontario Regulation 191/11, entitled, Integrated Accessibility Standards Regulation, [the "Integrated Regulation"] came into force July 1, 2011. The regulation establishes accessibility standards for information and communications, employment, and transportation. National Energy Equipment Inc. is included in the regulation's definition of an "obligated organization" and must comply with the phased-in requirements of the regulation beginning January 1, 2015.

National Energy Equipment Inc. is committed to working towards being compliant with all the standards under the Accessibility for Ontarians with Disabilities Act (AODA) as they are introduced and become law.

National Energy Equipment Inc. recognizes the history of discrimination against persons with disabilities in Ontario and the fundamental importance of developing, implementing and enforcing standards in a timely manner in order to achieve accessibility for Ontarians with disabilities.

National Energy Equipment Inc. is committed to the principles of independence, dignity, integration, and equality of opportunity described in the AODA and to meeting the needs of people with disabilities, in a timely manner, through the implementation of this policy.

National Energy Equipment Inc. is committed to establishing, maintaining and implementing policies as well as associated practices and procedures in the Integrated Regulation, specifically in the areas of information and communications, employment and [transportation (if applicable)], and to meet the accessibility needs of people with disabilities in a timely manner.

National Energy Equipment Inc. is committed to excellence in serving all of our clients, including people with disabilities. When providing information to, or communicating with, a person with a disability, we will provide the information and communication in a manner that takes into account the person's disability.

National Energy Equipment Inc. is committed to ongoing improvements to accessibility in its premises and facilities as required by law, as well as to the services offered to customers, employees, volunteers and members of the general public.

National Energy Equipment Inc. is committed to promoting values that support relationships between people with disabilities and the organization.

National Energy Equipment Inc. is committed to the establishment, implementation, maintenance, and documentation of a multi-year accessibility plan, which outlines the organization's strategy to prevent and remove barriers and meet its requirements under the Integrated Regulation.

National Energy Equipment Inc. is committed to the training of all employees, volunteers, persons who deal with customers and the public on National Energy Equipment Inc.'s behalf, and persons participating in the development and approval **of National Energy Equipment Inc.'s** policies, practices and procedures on the requirements under the Integrated Regulation and the Human Rights Code as it pertains to persons with disabilities.

National Energy Equipment Inc. is committed to implementing specific requirements, policies, practices and procedures, and a multi-year plan under the Standards for Information and Communication, and Employment,

PURPOSE

The purpose of this Statement of Policy and Procedure is to create a statement of commitment (policy) that provides a framework within which accessibility plans and initiatives are to be created in order to move the organization towards the goal of improved accessibility for people with disabilities. National Energy Equipment Inc. endeavors to provide accessibility and accommodation as prescribed in the AODA.

The commitments in this policy are intended to ensure that accessibility remains a priority in National Energy Equipment's decision-making process and will serve to assist in ensuring that decisions improve accessibility and do not inadvertently create barriers.

SCOPE

This policy applies to **National Energy Equipment Inc.'s**:

- Customers
- Employees

- Applicants for employment with **National Energy Equipment Inc.** who may require employment accommodation through the recruitment, assessment, selection, and hiring process.
 - Visitors
 - Contractors and subcontractors engaged by National Energy Equipment Inc.
 - Any other third party providing goods, services or facilities on National Energy Equipment's behalf.

RESPONSIBILITY

The accessibility advisory committee established by National Energy Equipment Inc. is the administrative entity responsible for the administration of this policy. It is the responsibility of this committee to ensure the application of this policy and that the organization achieves compliance with the law and creates an environment that provides the widest feasible scope of access, which is the right or opportunity to reach, use or participate in the organization's systems, facilities and services.

Managers, immediate supervisors and department heads are responsible for ensuring that all employees follow the guidelines set out in this policy.

Each manager, immediate supervisor and department head is responsible to ensure all employees are trained under the Accessibility Regulations and Standards under the AODA, the Human Rights Code and all related policies, practices and procedures.

All employees, volunteers, contractors and subcontractors, any other person acting on behalf of the National Energy Equipment Inc., and persons involved in the creation of National Energy Equipment Inc.'s policies are responsible for adhering to and following the commitments set out in this policy.

DEFINITIONS
