## **NATIONAL ENERGY EQUIPMENT INC.**

WE NOW SERVICE  
**EV CHARGERS BY ALL MAKES & MODELS**

### **SERVICE NOW AVAILABLE AT NEE**

We are proud to announce NEE is expanding our existing service platform to include maintenance and repair for EV charging stations and other EV infrastructure. We have recruited 10 fully certified electricians to service products by all brands on sites from coast-to-coast.

We're excited about this new business endeavor, and ready to provide EV charging solutions to our existing network and welcome new opportunities **with confidence.**
